NOTES

- The next schedule will cover the months of October, November and December. If you know of dates you cannot minister please have them to me by September 1st.
- If your preference for Mass assignment has changed please let me know before the next schedule.
- Weekday Altar Servers - during the Summer months some parents have indicated that schedules, transportation etc. present a difficulty when their children who are Altar Servers are scheduled for weekday morning masses. In an effort to address that need, we will not be using school students during the Summer months at the morning Masses. Scheduling for these Masses resumes in September.

Thank you for your continued presence and involvement in these important ministries.
Deacon Ralph
